What will the Manufacturer do? If this product, when used properly, is shown to be defective due to material or workmanship within the coverage period, then the Manufacturer will repair or replace any defective or non-conforming goods.

What is not covered by this Warranty? This warranty applies only when this product is used properly in accordance with all applicable instructions. Any actual or perceived defects that are caused by improper handling or installation methods are not covered by this warranty. There is no warranty for the cable components of this product.

Additional Limitations. This warranty does not cover damages in excess of the purchase price. To the extent permitted under state law, any other incidental, special, or consequential damages are also not covered by this warranty. **THERE ARE NO EXPRESS WARRANTIES COVERING THIS PRODUCT BEYOND THIS LIMITED WARRANTY. Your rights under State Law. Some states do not allow the exclusion or limitation of incidental or consequential damages in connection with the sale of consumer products, so the above limitation or exclusion of incidental or consequential damages may not apply to you. In addition, some states do not allow limitations on how long an implied warranty lasts, so the above limitation on implied warranties may not apply to you. This Warranty gives you specific legal rights, and you may also have other rights that vary from state to state.
